◆ Self-adhesive waterproofing strip in reinforced PER foam to protect wooden joists

Self-adhesive waterproofing strip made from reinforced PER foam to protect wooden joists. Very good adhesion to wood. Easy to install. Highly resistant to UV and atmospheric agents. Thickness 1mm, Width 80 mm, Length 20m.

◆ Environment

LIFETIME	> 20 years
GHG EMISSIONS	0.32 (GES)
RECYCLED MATERIAL	rubber
END OF LIFE RECYCLABILITY	100 %

PROTAPE – ROLL 8CM X 20M

◆ Characteristics

Main material	Reinforced PER foam
Material thickness (mm)	undefined
Resists temperature variations	oui
Categorie FELIX	Fasteners
